## INDEPENDENT AUDITOR'S REPORT

**Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York**

We have audited the accompanying financial statements of Concern Worldwide (U.S.), Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### ***Management Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Concern Worldwide (U.S.), Inc. as of December 31, 2020, and the changes in its net assets, functional expenses, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York

***Report on Summarized Comparative Information***

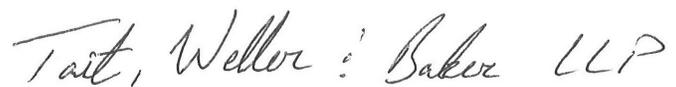

We have previously audited Concern Worldwide (U.S.), Inc.'s 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 29, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019 is consistent, in all material respects, with the audited financial statements from which it has been derived.

***Other Matters***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued a report dated June 28, 2021 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with the *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2020 And 2019

---

### (1) SIGNIFICANT ACCOUNTING POLICIES

#### **ORGANIZATION AND PURPOSE**

Concern Worldwide (U.S.), Inc. ("**Concern Worldwide**") is a not-for-profit corporation organized for the purposes of helping people living in extreme poverty to achieve major improvements in their lives which last and spread without ongoing support from Concern. To achieve this mission, Concern engages in long term development work, responds to emergency situations, seeks to address the root causes of poverty through advocacy work, educates the public of the need to provide relief assistance, and cooperates with other charitable organizations whether local, national or international for any of the foregoing purposes. Concern Worldwide is supported primarily by grants, public support and special events.

Concern Worldwide is affiliated with Concern Worldwide IRL, headquartered in Dublin, Ireland. Concern Worldwide IRL has provided and will continue to support Concern Worldwide (U.S.), Inc. in the form of reimbursements, and in-kind support. Concern Worldwide (U.S.), Inc. supports Concern Worldwide IRL by recruiting personnel, providing training and capacity building, technical program support, financial and programmatic monitoring and financial grants for international programs.

#### **BASIS OF PRESENTATION**

The accompanying financial statements of Concern Worldwide have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (GAAP).

Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, Concern Worldwide's net assets and changes therein are classified as follows:

**Without Donor Restrictions** – Net assets that are not subject to donor-imposed restrictions. Items that affect this net asset category principally consist of income from gifts without restrictions; conditional contributions whose conditions are met during the period; resources designated by the Board of Directors; and expenses associated with the core activities of Concern Worldwide.

**With Donor Restrictions** – Net assets subject to donor-imposed restrictions that will be met either by actions of Concern Worldwide or the passage of time. Expirations of restrictions on net assets with donor restrictions are reported as net assets released from restrictions.

#### **ACCOUNTING ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### **CONCENTRATION OF CREDIT RISK**

Concern Worldwide occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification ("**ASC**") 825, "**Financial Instruments**" identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2020 And 2019

---

### **INCOME TAXES**

Concern Worldwide is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the “Code”) and has been classified as a public charity under Section 509(a)(1) of the Code.

Management has reviewed the tax positions for each of the open tax years (2017 – 2019) or expected to be taken in Concern Worldwide’s 2020 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

### **CASH AND CASH EQUIVALENTS**

Concern Worldwide considers cash and cash equivalents to include short-term investments with maturities of less than three months when purchased. Restricted cash is comprised of escrowed funds deposited with a bank relating to a letter of credit required under Concern Worldwide’s lease agreement. The following table provides a reconciliation of cash, cash equivalents and restricted cash in the statements of financial position to the total amount shown on Concern Worldwide’s statements of cash flows:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 10,174,496	\$ 8,333,919
Cash – restricted	<u>135,134</u>	<u>134,982</u>
Total cash, cash equivalents and restricted cash	<u>\$ 10,309,630</u>	<u>\$ 8,468,901</u>

### **PROPERTY AND EQUIPMENT**

Property and equipment are capitalized at cost and depreciated over their estimated useful lives on the straight-line basis (leasehold improvements – 10 years, furniture and fixtures – 5 years, computers and equipment – 3 years). Concern Worldwide follows the practice of capitalizing all expenditures related to property and equipment having a cost in excess of \$5,000. Donated property and equipment are similarly capitalized but at fair market value at the time of donation.

### **CONTRIBUTIONS**

Concern recognizes contributions when cash, securities, or other assets, and unconditional promises to give are received. Conditional contributions include donor-imposed conditions that include one or more barriers that must be overcome and a right of return to the contributor for assets transferred or a right of release of the contributor from its obligation to transfer assets before Concern is entitled to the assets transferred or promised. Concern recognizes conditional contributions when the conditions are substantially met or waived. Unconditional contributions are classified as without donor restrictions unless there are donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are then classified to net assets without donor restrictions and reported in the statement of activities as “*net assets released from restrictions.*”

### **GOVERNMENT GRANTS**

Concern Worldwide receives funding from the United States Agency for International Development (“USAID”), including the Bureau for Humanitarian Assistance (“BHA”) and from the United States Department of State Bureau of Population, Refugees, and Migration (“PRM”) for direct and indirect program costs and to provide certain whole or partial sub-grants to other agencies. Revenue from such grants are considered to be conditional contributions and are recognized as qualifying expenses are incurred. Concern adopted the simultaneous release option for donor-restricted conditional grants that are recognized as used within the same reporting period, therefore, these amounts are reported as without donor restriction.

## NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2020 And 2019

---

### **CONTRIBUTED SERVICES AND EQUIPMENT**

Concern Worldwide received donated services from a variety of volunteers. These services are not subject to reasonable objective measurements and as such, are not reflected in the accompanying financial statements.

### **FUNCTIONAL ALLOCATION OF EXPENSES**

The financial statements report certain categories of expenses that benefit more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and utilities, which are allocated on a square-footage basis, and salaries and benefits, which are allocated on the basis of estimates of time and effort.

### **PRIOR YEAR INFORMATION**

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with Concern Worldwide's audited financial statements for the year ended December 31, 2019, from which the summarized information was derived.

### **NEW ACCOUNTING PRONOUNCEMENTS NOT YET ADOPTED**

In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the statement of financial position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2021. Early adoption is permitted. Concern Worldwide plans to adopt the new ASU at the required implementation date.

## (2) NET ASSETS

The board designated \$1,671,921 and \$1,671,416 of net assets without donor restrictions as an operating reserve in 2020 and 2019, respectively. The operating reserve is used as an internal line of credit to manage cash flow and maintain financial flexibility.

Net assets with donor restrictions at December 31, 2020 and 2019 are available for the following purposes:

	<u>2020</u>	<u>2019</u>
Use in future periods	<u>\$263,947</u>	<u>\$1,026,692</u>

For the year ended December 31, 2020 and 2019, net assets of \$1,632,961 and \$2,021,214, respectively, were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by the donors.

### (3) SPECIAL EVENTS

During 2020 and 2019, Concern Worldwide held several fund-raising events. The gross receipts from these events were \$1,455,071 and \$2,881,041 for 2020 and 2019, respectively. Direct expenses consisting of \$69,000 in 2020 and \$910,107 in 2019 were charged against these receipts resulting in net proceeds of \$1,386,071 and \$1,970,934 respectively.

### (4) LEASE COMMITMENTS

As of December 31, 2020, Concern Worldwide leases its office facilities in New York City and Chicago, Illinois. The New York City lease agreement expires in November 2025 and, at the inception of the lease, provided for a 7-month rent holiday and reimbursement of approximately \$670,000 of renovation costs (the “lease benefits”) at the time it was signed. The lease benefits are being amortized on a straight-line basis over the life of the lease, as required. The lease is subject to adjustments for escalations and certain operating expenses. Rent expense, which includes expenses associated with Concern’s Chicago office which was on a month to month basis until the lease was cancelled during 2020, for the years ended December 31, 2020 and 2019, was approximately \$543,100 and \$529,700, respectively.

Approximate future minimum rentals under its non-cancelable operating lease is as follows:

	<b>Office Facilities</b>
2021	\$ 553,000
2022	553,000
2023	553,000
2024	553,000
2025	<u>392,000</u>
	<u>\$2,604,000</u>

### (5) CONTINGENCY

Under the terms of the U.S. Government grants, which are made based upon the acceptance by the U.S. Government of the program proposals submitted by Concern Worldwide, amounts are stipulated for both direct program costs and administrative overhead costs. The administrative overhead rates used by Concern Worldwide, while provisionally approved, is subject to review and final approval by the U.S. Government. The administrative overhead rate has been approved through December 31, 2018. Management believes that any adjustment to the 2019 or 2020 administrative overhead rates, if any, will not have a material effect on the financial position or operating results of Concern Worldwide.

### (6) PENSION PLANS

Full time employees are eligible to contribute to Concern Worldwide’s defined contribution retirement plan immediately. Concern Worldwide matches up to 3% of eligible employees’ contributions to the plan after three months of service. Total pension expense was approximately \$71,300 and \$62,900 for the periods ended December 31, 2020 and 2019.

### (7) FINANCIAL ASSETS AND LIQUIDITY RESOURCES

Concern Worldwide strives to maintain liquid financial assets to be available as its general expenditures, liabilities and other obligations become due. Financial assets in excess of daily cash requirements are invested in money market funds and other short-term investments.

The following table reflects Concern Worldwide’s financial assets as of December 31, 2020 and 2019, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date, and does not include expected drawdowns on federal awards that will support its operating budget.

### (8) COVID-19 AND PAYCHECK PROTECTION PROGRAM

In December 2019, a novel strain of the coronavirus (“COVID-19”) was reported in China. The World Health Organization has declared COVID-19 to constitute a “Public Health Emergency of International Concern”. This outbreak has affected virtually every industry and has created volatility in the stock markets throughout the world. Many federal and state governments have implemented numerous restrictions, mandated various closures and quarantine requirements in connection with the COVID-19 outbreak. The extent of the impact of COVID-19 on Concern’s operational and financial performance will depend on future developments, including the duration and spread of the outbreak and the impact on Concern’s funders, donors, employees and vendors, all of which are uncertain and cannot be predicted.

On April 7, 2020, Concern received a \$739,178 loan under the Small Business Administration’s (“SBA”) Paycheck Protection Program (the “PPP Loan”). Concern considers this to be a conditional contribution with the incurrence of eligible expenses to be the underlying barrier. As such, government grant revenue was as the qualifying expenses were incurred. During the year ended December 31, 2020, Concern incurred eligible expenditures in excess of the PPP Loan, and as a result, recognized \$739,178 as government grant revenue. On February 24, 2021, Concern was granted forgiveness by the SBA for the full amount of the PPP Loan.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

**Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Concern Worldwide (U.S.), Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 28, 2021.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York**

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE  
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE IN REQUIRED BY THE UNIFORM GUIDANCE**

**Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York**

***Report on Compliance for Each Major Federal Program***

We have audited Concern Worldwide (U.S.), Inc's (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2020. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

**Board of Directors  
Concern Worldwide (U.S.), Inc.  
New York, New York**

***Report on Internal Control Over Compliance***

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
